Turntables

Description:

A frictionless magnetic bearing tonearm is responsible for the optimal performance of the cartridges. All critical parameters from cartridge tracking weight to anti-skating are preadjusted in our factory. The concept represents the ideal of stress-free 'plug and play': „unpack, connect, put the record on the platter – and just enjoy music.“ There was never more audiophile technology in this class of turntables.

Performance DC

Description:

A DC motor with high precision bearings and flat belt-drive, in conjunction with a platter of 40mm thick POM which rests on a Clearaudio ceramic magnetic bearing (CMB), provide optimal conditions for the correct sampling of the record groove. The elegant and simple appearance of the Performance DC with its clear lines matches its excellent audio performance. (Turntable without tonearm and cartridge).

Reference Jubilee

Description:

40 years Clearaudio - this needs to be celebrated with a special limited turntable (only 250 units)! We created the symbioses of one of the first Clearaudio Reference turntable designs and melting it together with the materials and technology from today, new motor, new resonance technology and super silent motor control board.

The scope of delivery of the Reference Jubilee turntable already includes the new Professional Power 24V power supply unit.

Master Innovation

Description:

Dynamically balanced main platter is a sandwich construction of 70mm (2 ¾ inch) of high-density polymer upon a 15 mm (4/5 inch) precision turned stainless steel subplatter. This floats in free space within the resonance-reducing chassis structure in a Clearaudio patented Ceramic Magnetic Bearing (CMB). Below the CMB is a Clearaudio no-contact drive system derived from the flagship Statement turntable. To allow complete flexibility the Master Innovation will accommodate up to three tonearms (Turntable without tonearm and cartridge).

Hand-polished ebony housing with an implemented resonance-absorbing metal plate.

Art. No.	Version			Retail price
MM010	Ebony			990 €
MM010/E	Exchange stylus			630 €

Maestro V2

Description:

Hand-polished ebony housing with an implemented resonance-absorbing metal plate.

Art. No.	Version			Retail price
MM011	Ebony			1.200 €
MM011/E	Exchange stylus			795 €

Charisma V2

Description:

Already the MM serie from concept V2 to Maestro V2 became extremely popularity. Now the Charisma V2 is the top of Clearaudios „moving magnet“.

The diamond-doped boron needle carrier is the same as in Goldfinger Statement.

Hand-polished ebony housing with an implemented resonance-absorbing metal plate.

Art. No.	Version			Retail price
MM013	Ebony			1.900 €
MM013/E	Exchange stylus			1.255 €

Note:

For a cartridge/stylus exchange Clearaudio request the damaged cartridge to be returned in advance before shipping a replacement.

Otherwise the replacement cartridge will be charged with the original price.

Cartridges

concept mc

Description:

Body manufactured out of aluminium-magnesium alloy.

Art. No.	Version			Retail price
MC023				950 €

essence mc

Description:

A new selected stage of our MC series, with excellent technical data.

Art. No.	Version			Retail price
MC026				1.400 €

Talisman V2 Gold

Description:

Body manufactured out of solid ebony wood.

Art. No.	Version			Retail price
MC022	Ebony			1.900 €

Concerto V2

Description:

MC cartridge, 24 carat gold coils, boron cantilever, HD diamond tip. Cartridge body made out of dense Fernambuk tonewood, with tarsia for a better energy derivation.

Art. No.	Version			Retail price
MC017/V2	Wood			2.900 €

Cartridges

Stradivari V2

Description:

MC cartridge, 24 carat gold coils, boron cantilever, HD diamond tip. Cartridge body made out of dense ebony tone wood, with tarsia for a better energy derivation.

Art. No.	Version			Retail price
MC016/V2	Ebony			4.000 €

Jubilee MC

Description:

For the first time we succeeded to use the material of panzerholz for phono cartridges bodies. Afterwards these bodies are being treated from Franconian violine manufacturers. During a special selection process, both „Jubilee“ phono cartridges set a new standard in their price range. A reason to celebrate!

Art. No.	Version			Retail price
MC027	Bullet proof wood			4.900 €

da Vinci V2

Description:

MC cartridge, 24 carat gold coils, boron cantilever, Gyger S double polished diamond tip. Solid aluminium body with ceramic surface layer.

Art. No.	Version			Retail price
MC020/V2	Aluminium-body with ceramic surface layer			5.900 €

Titanium V2

Description:

MC cartridge, 24 carat gold coils, boron cantilever, Gyger S double polished diamond tip. Solid titanium body.

Art. No.	Version			Retail price
MC015/V2	Titanium			8.700 €

Cartridges

Goldfinger Statement

**Description:**

Solid 14 carat gold body featuring Clearaudio patented generator design.

Art. No.	Version			Retail price
MC025/V2	14 carat Gold-body			15.000 €

Note:

For a cartridge/stylus exchange Clearaudio request the damaged cartridge to be returned in advance before shipping a replacement.

Otherwise the replacement cartridge will be charged with the original price.

For exchange prices of MC cartridges, see page 38.

Electronic Equipments / Power Generators / Phono - preamplifier

nano phono V2 / nano phono headphone V2

Description:

Surface-mount technology is used in conjunction with precision electronic components, such as BURR-BROWN integrated circuits, and extremely short signal paths leading to a pure, hum and noise-free music reproduction. Also available with headphone output!

Art. No.	Version			Retail price
EL028	Silver			450 €
EL028H	Silver / Headphone output			490 €
EL028/B	Black			450 €
EL028H/B	Black / Headphone output			490 €

smart phono V2 / smart phono headphone V2

Description:

Improved low-noise operational amplifier and optimized circuit. Blue illuminated volume control. Easy loading adjustment on the bottom of the chassis. A smart chassis, machined from a solid block of Aluminium. Also available with headphone output!

Art. No.	Version			Retail price
EL027	Silver			750 €
EL027H	Silver / Headphone output			800 €
EL027/B	Black			750 €
EL027H/B	Black / Headphone output			800 €

basic V2

Description:

With over 30 years of research and experience, along with in-depth knowledge of the effectiveness of unconventional details we present basic V2.

MM / MC input and subsonic filter: switchable.

For MM and MC cartridges.

Art. No.	Version			Retail price
EL032/B	Black			1.250 €
EL032/S	Silver			1.250 €

Electronic Equipments / Power Generators / Phono - preamplifier

balance V2

Description:

Fitted with a high quality volume control the balance V2 can also be directly connected to a power amplifier acting as a control preamp.
MM / MC input: switchable.

Art. No.	Version			Retail price
EL033/B	Black			3.100 €
EL033/S	Silver			3.100 €

balance reference phono Available 3rd quarter 2022

Description:

The new balance reference phono was developed especially for the phono enthusiast, featuring completely independent phono inputs for connecting moving coil and moving magnet phono cartridges. The sophisticated volume and input circuitry are accessible with the supplied remote control.

The high-performance design provides 2 headphone connections.

Art. No.	Version			Retail price
EL038/B	Black			7.900 €
EL038/S	Silver			7.900 €

absolute phono

Description:

The Clearaudio absolute phono is the world's first active headshell moving coil phonostage. A tiny circuit board installed in the headshell of the tonearm amplifies the highly sensitive moving coil cartridge signal at its source. As a result, the signal to noise ratio is improved by approximately ten decibels across the entire audio bandwidth.

The cost of the configuration of your existing or new purchased Clearaudio tonearm is already included.

Art. No.	Version			Retail price
EL029/BB	Black with black chassis			13.500 €
EL029/SB	Silver with black chassis			13.500 €
EL029/BN	Black with natural wood chassis			13.500 €
EL029/SN	Silver with natural wood chassis			13.500 €

Electronic Equipments / Power Generators / Phono - preamplifier

absolute phono / absolute phono inside

Description:

If you already own a Clearaudio tonearm, you will benefit from the improved signal to noise ratio by using the Clearaudio absolute phono inside. The additional configuration of the headshell is not necessary.

Art. No.	Version			Retail price
EL029/BB/ inside	Black with black chassis			13.500 €
EL029/SB/ inside	Silver with black chassis			13.500 €
EL029/BN/ inside	Black with natural wood chassis			13.500 €
EL029/SN/ inside	Silver with natural wood chassis			13.500 €

statement phono

Description:

Highest quality hand selected electronic components: extremely low noise resistors and lossless silver-glimmer capacitors. Highly versatile state of the art phonostage.

Art. No.	Version			Retail price
EL025				29.000 €

smart synchro

Description:

Oscillator and filter for electronic equipment with up to 8 watts maximum power consumption. Provides electronic speed switching and fine adjustments for all AC synchronous motors (110 or 230 Volt).

Art. No.	Version			Retail price
EL024/110 EL024/230				875 €

azimuth optimizer

Description:

High precision measuring device enables accurate adjustment of the cartridge azimuth: the vertical orientation of the stylus in the groove. Build-in phonostage and headphone amplifier enables mobile use.

Includes Azimuth Optimizer Test Record (Art. No. LPT Azimuth 080108) 100-240V, 47-63Hz

Art. No.	Version			Retail price
EL020				4.740 €

Electronic Equipments / Power Generators / Phono - preamplifier

smart power 12V

Description:

The smart power 12V is a battery-based DC power supply upgrade designed for Clearaudio's concept, concept active and Performance DC turntables. Like the smart power 24V, it provides clean power that is independent of the variability and inherent noise of the mains supply. With a minimal output impedance, it delivers a steady, stable voltage, allowing your concept or Performance DC turntable to maintain perfect speed stability. Again, like the 24V version, the smart power 12V can be set to switch automatically from battery play mode into recharging mode and will continue to enhance your turntable's performance and protect it from short circuits and power surges, even while charging.

When used with the concept active turntable, the smart power's (12V) benefits are multiplied, since both the turntable's motor and the on-board phono stage are fed with pure, clean DC power.

Art. No.	Version			Retail price
EL035/B/S	Black with silver chassis			850 €
EL035/B/B	Black with black chassis			850 €

smart power 24V for Ovation and Innovation turntables

Description:

The smart power 24V is a battery-based DC power supply upgrade, designed to unleash more of the considerable potential of Clearaudio's high-performance Ovation, Innovation and Statement turntables. It partners intelligent circuit technology with long-lasting NiMH (nickel-metal hydride) rechargeable batteries to deliver 24V of pure, clean, fluctuation-free power. The smart power 24V can be set to switch automatically from battery play mode into recharging mode if desired. Even when recharging, it continues to offer an improvement in sound quality as well as adding safety features such as protection against short circuits and overvoltage. Its elegant, low-key design includes a dimmable LCD display.

Art. No.	Version			Retail price
EL034/B	Black			3.100 €
EL034/S	Silver			3.100 €

smart power 24V only for Statement turntable

Art. No.	Version			Retail price
EL036/B	Black			3.565 €
EL036/S	Silver			3.565 €

Electronic Equipments / Power Generators / Phono - preamplifier

Professional Power 24V

Description:

The Professional Power 24V is a high quality transformer-based and stabilized 24 Volt DC power supply. It is designed to fill the gap between the standard power supply that comes with our turntables and our state-of-the-art, auto-charging smart power 24V battery supply.

The Professional Power 24V provides improved filtering over the standard power supply, which delivers a much cleaner power source. Cleaner power and increased 'headroom' for Clearaudio's Innovation and Ovation series turntables, thanks to a smoother motor performance and extended reserves. The resulting improvements in sound quality are significant.

The unit's construction features professional-grade electronic components and a resonance-optimized transformer to ensure that no mechanical interference will be transferred through the housing.

Art. No.	Version			Retail price
EL037/B/110	Black 110V Version			990 €
EL037/B/230	Black 230V Version			990 €
EL037/S/110	Silver 110V Version			990 €
EL037/S/230	Silver 230V Version			990 €

Record cleaning

smart matrix SILENT

Description:

The new smart matrix SILENT. The silent one! Which is all the more remarkable considering its 500 watts vacuum motor. In addition to its elegant design, the smart matrix SILENT offers simple controls for effortless use. Certainly with left and right cleaning mode and integrated liquid application. The application of the cleaning fluid is individually dosed by button and the multifunctional cleaning / suction arm is individually adjustable for all vinyl sizes. Clamp with label protection and single adapter included.

Art. No.	Version			Retail price
AC161/230 AC161/110	Silver (packed separately)			1.900 €
